Commissioner Cavanaugh's Public Statement Regarding Alabama Dual Party Relay Fund v. Alabama Public Service Commission

Montgomery – I believe that the citizens of Alabama, in good faith, contributed to the Dual Party Relay Fund to ensure that it served the hearing impaired citizens of our State. While it is unfortunate that the situation has devolved to this point, it is my hope that the court will ensure that we continue to have an adequately funded dual party relay system for many years to come. This decision is now in the court's hands, and we anxiously await their ruling.
