SOUTH CENTRAL BELL
Petitioner

PETITION: For approval of proposed tariff revisions to regulations pertaining to Shared Tenant Services.

DOCKET NO. 21500

ORDER

BY THE COMMISSION:

By filing received May 11, 1990, with a requested effective date of June 11, 1990, Petitioner South Central Bell petitioned this Commission for approval of revisions to its existing telephone tariff as set out herein:

GENERAL SUBSCRIBER SERVICES TARIFF

Section A27, Second Revised page 1

These proposed tariff revisions amend the regulation governing proof of certification as a Shared Tenant Services provider. This revision adds an exemption from this requirement for those small business customers with only one or two non-trunk lines with only one client charge. All other rules, rates and regulations governing STS are unaffected.

The Commission is of the opinion, and finds, that the public interest will be served by approval of these tariff revisions.

IT IS, THEREFORE, ORDERED BY THE COMMISSION, That Petitioner South Central Bell's proposed tariff revisions, as set out herein, hereby be approved.

IT IS FURTHER ORDERED BY THE COMMISSION, That this Order shall be effective as of the Company's requested effective date of June 11, 1990.

DATED at Montgomery, Alabama, this 11th day of June, 1990.
